HR,
Amirda Pvt Ltd,
Batticaloa, Sri Lanka.

Dear Sir/ Madam,

I am writing to express my interest in the full stack developer intern position at Amirda Pvt Ltd. As a highly motivated third year IT undergraduate, I am eager to contribute my skills and passion for software development to your dynamic team.

I am currently pursuing a B.Sc.(Hons) in Information Technology degree at University of Moratuwa, where I have gained a strong foundation in software engineering principles, algorithms, and data structures. My academic coursework has equipped me with proficiency in programming languages such as Java, C, Python, and I have successfully applied these skills in various projects.

I am impressed by Amirda's commitment, and I am eager to contribute to the company's success while gaining valuable hands-on experience in the software engineering field. I am confident that my skills and enthusiasm make me an excellent candidate for this internship, and I am excited about the opportunity to contribute to Amirda's innovative projects.

Thank you for considering my application. I look forward to the possibility of discussing how my skills and experiences align with the goals of Amirda. Please find my resume attached for your reference, and I am available at your earliest convenience for an interview.

Sincerely,

Hanana M.T.F,

Undergraduate, Faculty of Information Technology,
University of Moratuwa.
